

PPE (Protective Personal Equipment)

When should I buy the PPE?

Students on the Supported Internship should await the start of their course before purchasing any PPE or clothing. Safety Toe Capped Boots will be required for all other courses listed and should be purchased prior to the commencement of the course. Other PPE and uniform should be purchased after consultation with your tutor. If you think you might be entitled to financial help for these costs and would like to apply to the Bursary fund, please visit www.nescot.ac.uk/bursary for more information.
